

What's inside:

love that. blankets the soul like a snowy benediction
a tribute to Nelson Man-DEL-a
reasons we say, "To hell with you!"
Laws of survival, prosperity, and power
The bright light of truth, and how Idea wins the day
A 23rd song and sweet melodies washing over the Central Valley
A Mystic V-shaped line and a wish to return as a bird
A rivulet of regret as life slips away
A teen dazzled by his own daring
Black Ops ordered and executed
Where they met God
A metamorphosis
Humpty-Dumpty had a great fall
Faith and hope coming down the homestretch

When love has already crossed the finish line.
